

**ADVANTAGE AVIATION, INC.**  
**AIRCRAFT CHECKOUT REQUIREMENTS**

Effective 05.01.24

Note: All aircraft have a 90 day currency requirement (flown at Advantage in Advantage aircraft) unless otherwise specified below.

1. Fixed gear <200 HP: Checkout to demonstrated proficiency.
2. Fixed gear  $\geq$  200 HP: Checkout to demonstrated proficiency (minimum 5 hour flight time checkout if the member has logged  $\leq$  10 hours in the specific make and model).
3. Tailwheel aircraft: Tailwheel endorsement, checkout to demonstrated proficiency, and a phase check, 60 day currency.
4. Retractable gear up to 200 HP: checkout to demonstrated proficiency, minimum 10 hours in type.
5. Retractable gear  $\geq$  201 HP: minimum 250 TT, 25 hours retractable, 25 hours high performance, and minimum of 10 hour checkout to demonstrated proficiency in type.
6. Cessna T182T Turbo: 300 TT, Instrument rating and checkout to demonstrated proficiency (minimum 5 hours if  $\leq$  10 hour turbocharged time).
7. Cessna T206H: 300 TT, Instrument rating and checkout to demonstrated proficiency (minimum 5 hour unless  $>$  10 hours in make and model), and a phase check.
8. Cirrus SR20: checkout to demonstrated proficiency (minimum 5 hours if the member has logged  $\leq$  10 hours in make and model,) completion of Cirrus online training and a phase check.
9. Cirrus SR22: 250 TT, Instrument rating, 25 hours high performance, checkout to demonstrated proficiency (minimum 10 hours unless member has logged  $>$  20 hours make and model), instruction only by Advantage Cirrus approved instructor, completion of Cirrus online training, and a phase check. 60 day currency.
10. Cirrus SR22 Turbo (but see section 13 below): 300 TT, Instrument rating, 25 hours high performance, minimum 10 hours checkout unless member has logged  $\geq$  20 hours make and model, instruction only by Advantage Cirrus approved instructor, completion of Cirrus online training, and a phase check. 60 day currency.
11. Beechcraft Bonanza G36: 250 TT, Instrument rating, 25 hours retractable gear, 25 hours high performance, checkout to proficiency (minimum 10 hours unless  $\geq$  25 hours in make and model,) completion of BPPP Bonanza Society online training course, and a phase check. 60 day currency.
12. Beechcraft Duchess:
  - a. If at least 25 hours of dual multi training previously obtained at Advantage: minimum 500 TT, and a commercial or instrument rating (in addition to multi rating), and checkout to demonstrated proficiency. 60 day currency.
  - b. If less than 25 hours of dual multi training previously received at Advantage: minimum 750 TT and 50 hours multi-engine, minimum 5 hours in type (in addition to multi rating), checkout to demonstrated proficiency, and a phase check. 60 day currency.
13. Specialty aircraft and very high hull value aircraft (such as 2020+ Cirrus SR22T G6 & G7)

checkout and currency requirements will be determined by the Chief Pilot and Management on a per member and per plane basis.

**All checkouts to proficiency must be with an Advantage instructor, regardless of prior, non-Advantage, experience. All phase checks must be completed prior to final checkout and performed by an Officer, Chief Pilot, or an approved senior instructor they assign. Variances from these checkout requirements may only be approved by an Officer or the Chief Pilot.**
